	Inc., 2406 Edmund Road, West	)	DENYING
	Columbia, SC 29170, to amend Class	)	MOTION
	E Certificate No. 5099.	)	

This matter is before the Public Service Commission of South Carolina (the Commission) on the motion of Intervenor Southeastern Freight Lines (Southeastern) to reschedule the hearing on the Application of Bankair Courier, Inc. (Bankair) to amend its Class E Certificate of Public Convenience and Necessity. Southeastern's attorney states he will be attending a convention on the date presently scheduled for the hearing. Bankair opposes Southeastern's motion on the ground that it has already obtained the agreement of its witnesses to appear on the scheduled hearing date. Additionally, Bankair states that one witness has obtained permission from his employer to attend the hearing and Bankair believes changing the hearing date may impose a hardship on this witness.

After considering the parties' positions, the Commission denies Southeastern's motion to reschedule the hearing date. The Commission finds that Bankair is entitled to proceed with its hearing on the date scheduled.
